The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVE SUBMISSION OF GRANT APPLICATION TO THE UNITED
STATES DEPARTMENT OF JUSTICE, OFFICE OF COMMUNITY
ORIENTED POLICING SERVICES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff to submit a grant application to the United States Department of Justice, Office of Community Oriented Policing Services (COPS), requesting \$739,982 in Federal funding, with no local match required, to purchase a Crime Laboratory Information Management System.
2. Instruct the Chair of the Board of Supervisors to provide wet signatures on the following grant application documents: two (2) Certifications forms (Attachment 1), two (2) Assurances forms (Attachment 2), two (2) Special Condition forms (Attachment 3), and two (2) Supplemental Signature forms (Attachment 4).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The COPS Office has invited the Los Angeles County Sheriff's Department to submit an application in response to their COPS 2005 Technology Grant Program. Under this program, the Department is eligible to receive \$739,982 in Federal funding, with no local match required. COPS Technology funding allows for the continued development of technologies and automated systems to assist state and local law enforcement agencies

A Tradition of Service

in investigating, responding to, and preventing crime. This funding will allow recipients the opportunity to establish and enhance a variety of technical equipment and/or programs to encourage the continuation and enhancement of community policing efforts within their jurisdictions. This grant program is intended to place departments at the forefront of innovative technological developments.

With this earmarked funding, the Sheriff's Department's Scientific Services Bureau will be able to procure a modern electronic management system and the state-of-the-art technical hardware required to support and enhance its operation. The current demand for case tracking, prioritization, and case assignment within the crime lab cannot be met with the current system. Recent mandates enacted within California regarding time limits allowed to process DNA evidence and the rights of victims to be informed of the status of their DNA evidence have placed further demands on the system. The reality is that Scientific Services Bureau is tasked with the analysis of evidence from criminal acts, mass disasters, and terrorist activities occurring within the County, and our current laboratory information management system is woefully inadequate.

Implementation of Strategic Plan Goals

The COPS 2005 Technology Grant Program supports the County of Los Angeles' Strategic Plan. Specifically, with the support of this earmarked funding, the Department will be able to continue to realize the achievement of Goal #2: Workforce Excellence. The grant funds, directed at purchasing a Crime Laboratory Information Management System, will increase the operational effectiveness and efficiency of the Department's Scientific Services Bureau.

FISCAL IMPACT/FINANCING

The COPS 2005 Technology Grant Program will provide \$739,982 in grant funding to the Department. Under this program, the County is not required to contribute any matching funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This grant program will be effective for a one-year period and the COPS Office will provide an automatic 12-month no-cost extension upon the receipt of the award documents.

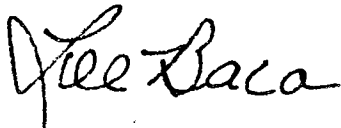

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This funding will have a positive impact on current services especially within the Department's Scientific Services Bureau, as it would satisfy the need for a modern crime laboratory information management system. The integration of case and evidence tracking, personnel deployment, and web-based accessible laboratory management information into one system would greatly enhance the services to the residents of Los Angeles County.

CONCLUSION

Upon approval by your Board, the Department requests that your Board please provide four (4) individually adopted copies of this action and two (2) originally executed copies of the attached Certifications forms, Assurances forms, and Special Conditions form, and Supplemental signature forms to the Sheriff's Department. The Department's contact for this requested Board action is Michelle Day, Grants Manager, at (323) 526-5212.

Sincerely,

A handwritten signature in black ink, appearing to read "Leroy D. Baca". The signature is fluid and cursive, with the first name "Leroy" and last name "Baca" clearly distinguishable.
